The Junior Marathon is an opportunity do this while enjoying an outdoor sport.

A great party to promote fun, health, and wellness.

The route which will feature the Junior Marathon is the last mile of the Turin Marathon, creating a way for the youth to immerse themselves into the group of champions who first cross the finish line in front of the Royal Palace Castle Square.

The departure point, the route, and the finish line will have entertainment created by the Association Teatrulla, the Puppet Hospital and historical groups.

All participants will receive a goody bag allowing our lively and attentive audience to get know our partners.

The Turin Marathon sports educators are awaiting the participation of both parents and children for a day of celebration, sports and culture.
